DIRECTORATE GENERAL ENERGY (DG) : ENER

Renewable Energy, Energy Efficiency, Technology & Innovation

Contributing to setting up an energy market providing citizens and business with affordable energy, competitive prices and technologically advanced energy services. Promoting sustainable energy production, transport and consumption in line with the EU 2020 targets and with a view to the 2050 decarbonisation objective. Enhancing the conditions for secure energy supply in a spirit of solidarity between Member States.

DIRECTORATE GENERAL ENVIRONMENT (DG) : ENVMNT

Towards a global Green Economy and better environmental governance

In June 2012 all eyes will be turning to Rio de Janeiro, where 20 years after the first "Earth Summit", Heads of State and Government will convene to attend the United Nations Conference on Sustainable Development (UNCSD) or "Rio+20"

DIRECTORATE GENERAL RESEARCH & INNOVATION (DG) : RTD

Renewable Energy, Energy Efficiency, Technology & Innovation

The Directorate-General for Research and Innovation's mission is to develop and implement the European research and innovation policy with a view to achieving the goals of Europe 2020 and the Innovation Union.

The Framework Programmes for Research and Technological Development, also called Framework Programmes or abbreviated FP1 through FP8, are funding programmes created by the European Union in order to support and encourage research in the European Research Area(ERA). The specific objectives and actions vary between funding periods.
